Testimonials

Wealth Creator, Author & Speaker

Jen Blackert, has lectured, trained, coached, and inspired thousands of business owners in the last year. As a speaker, she has headlined events and hosted events.

Prior to launching her current consultancy, Jen spent 13 years in corporate America holding leadership and executive positions at large corporations including Emerson Process Management and Dell Computers.

Jen is the author of the book *Seven Dragons: A guide to a limitless mind*, which addresses the epidemic of information overload, attention deficient and addictions that cause us to feel unsuccessful, overwhelmed and hopeless. By mastering the seven dragons (mental integrity, overwhelm, attention deficit, decision making/procrastination, resistance, financial imbalances and unworthiness) we open ourselves up to a world of abundance. *The Seven Dragons* is not another book on balance, success tips, clarity or even consciousness; it is about eradicating mental patterns that are disruptive to our life's success. The book offers a series of profound self-coaching questions and journal opportunities so we can change behaviors and make better choices. She's also a contributing author to *Living the Law Of Attraction* and *How to Feel Great at Work Every Day*.

"Jen packed a room mesmerized by her energy and accomplishments regarding online marketing and how she attracts clients on the Internet.

She's eloquent and driven by her passion to share with people her insights and marketing strategies that have worked for her and her clients with amazing results.

The crowd was impressed and buzzing with questions. We were very fortunate to have her speak. Jen definitely walks her talk!"
— **Kelli Cotner**, Programming Dir. ICF Austin

"Jen's very motivating and idea-inspiring speaker! Her energy and success is contagious! I left the presentation with new ideas on how to achieve my own success.

Jen provides great information that we should all know and incorporate into our lives. It's no wonder that she has such an amazing following, and that people seek her out to attend her speaking engagements. She's very approachable and is full of personality."
