Dragon #1: WHAT'S Stopping You From Living Your Wealth?

Most of us know our dream life exists and others are living it. So what's stopping you from receiving your desire?

Most agree that you CAN obtain most anything if you really set your mind to it. So the bigger questions is ... why are you not "setting your mind to it"?

What's Your Mindy Dragon of Incongruence

- Understanding the 3-parts of YOU
- Wishing vs. Receiving. You cannot receive anything until you BELIEVE you can receive it.
- 3 steps you can take right now to become more congruent

YOUR NOTES:

Dragon #7: WHY Do You Not FEEL Worth It?

What's Your Wilma Dragon of Worthiness and how to come to terms with her.

YOUR NOTES:

Divine Dragon Awareness:

Definition "Dragon Awareness": Becoming consciously aware of what is already available to you.

Why focus on levels of awareness:

Once you become aware of wealth exists inside of us then you can become aware of your path to wealth. AND the truth is we only think **thoughts that are in alignment with our beliefs**. If we do think of something different we often discard it. {John's story}

The desire lies in your heart, but your dragons are controlling your thinking. They are saying "looking at the mess you made in the past". You see Your past is an illusion. Your mind sees obstacles that are not there.

Removing the Illusion

“There are two processes necessary for self-actualization: self exploration and action. The deeper the self exploration, the closer one comes to self-actualization.”
